## SERVICES PROVIDE:

Here are some of the value-added services Poonpipat provides its customers:

- Chaophraya pier with loading and discharging facilities
- Close inspection providing for damage and cleaning maintenance facilities
- Management service providing such as stock and logistic management

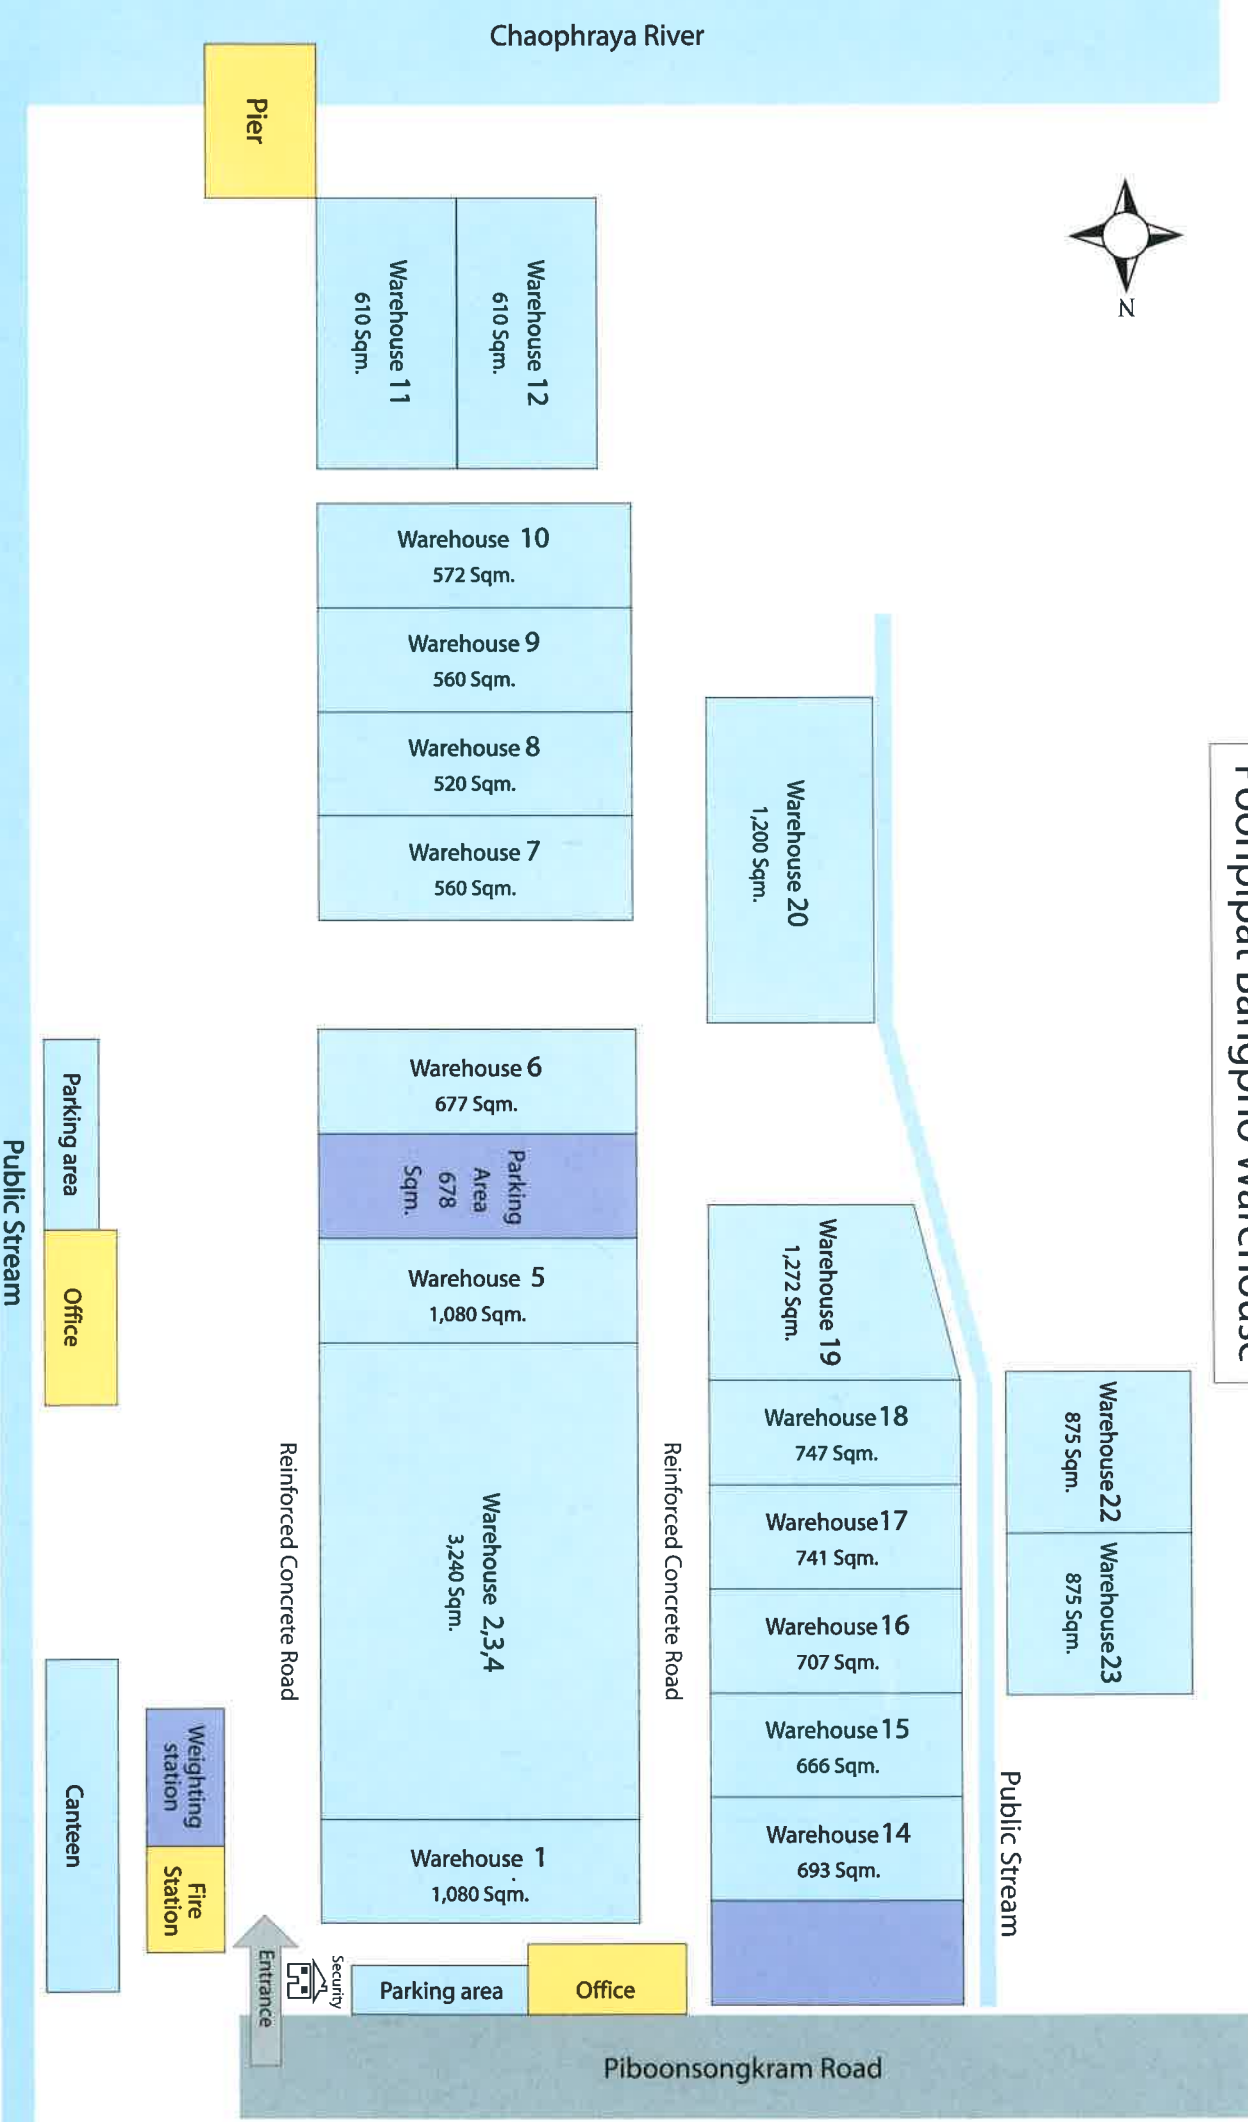

## FULL SERVICE FACILITIES:

Full service warehousing may be the key to your company's survival. Shifts in the economy are requiring companies to reexamine the costs involved with self-warehousing. Leases, capital investments, taxes, maintenance, insurance, labor and fluctuating seasonal inventories can cut deeply into your company's profits. Poonpipat Warehouse may be your key to a better bottom line.
